### Areas of Action

- **National Food Systems Transformation Pathways / Strategies**
  - 165 Member States – including 78 Heads of State and Government – made statements at the Summit
  - 109 Member States have posted National Food Systems Transformation Pathways / Strategies

### Multi-Stakeholder Initiatives and Constituency Commitments

- Multi-stakeholder initiatives and hundreds of complementary stakeholder commitments from actors at local, national, and global level posted on a digital platform space (producers, youth, IPs, civil society, private sector, SMEs, cities)

### Knowledge Base

- Compendium

### Follow Up and Review

- Approach to Follow Up and Review
The Dialogue Programme

- 11 Global Dialogues
- 987 registered Independent Dialogues
- 613 registered Members State Dialogues
- 107,136 total participants across all dialogues

*as of 20 October
FOOD SYSTEMS TRANSFORMATION: PROCESSES AND PATHWAYS IN THE MEDITERRANEAN A STOCKTAKEING EXERCISE

- Highlight main challenges, priorities and national pathways emerging from UNFSS process in the Med region
- Highlight regional collaborations opportunities by identifying patterns and trends specific to the Med context
- Identify needs for support by stakeholders and fostering the exchange and collaboration among them
SFS-MED Platform

- Support national food systems transformation pathways
- Co-design of flagship projects and investment proposals
- Network for strengthening knowledge sharing and capacity building
- Regional cooperation and multi-stakeholder dialogues
