COP26 outcomes relevant to Agri-food systems

Zitouni Ould-Dada
Deputy Director, Office of Climate Change Biodiversity and Environment

AGRIMED Task Force – 10 December 2021
**COP26 Presidency Objectives**

**Mitigation:** Secure global net zero by mid-century and keep 1.5 degrees within reach.

**Adaptation:** Adapt to protect communities and natural habitats.

**Finance:** Mobilize at least USD 100bn in climate finance.

**Collaboration:** Work together to deliver climate action.

**FAO’s Objectives**

Making agri-food systems, part of the solution to the climate crisis.

Support countries in the climate negotiations, particularly for the Koronivia Joint Work on Agriculture and on agri-food systems adaptation and resilience.

Reinforce our commitment with partners to continue supporting countries to raise ambition and enhance action (NDCs, NAPs, climate finance).
US-China Joint Glasgow Declaration on Enhancing Climate Action

Glasgow Leaders’ Declaration on Forests and Land Use

Global Methane Pledge

African Union Green Recovery Action Plan
Global Methane Pledge

Reduce global methane emissions by 30% by 2030

Signed by 109 countries

USD 320 million committed by philanthropic organizations

US-China Joint Declaration

Specific specific reference eliminating illegal deforestation by banning import of illegal timber, and curbing methane emissions including from the agricultural sector
Glasgow Leaders’ Declaration on Forests and Land Use

To halt and reverse deforestation and land degradation by 2030.

Signed by 141 countries, representing around 91% of the world's forests.
African Union Green Recovery Action Plan

To strengthen collaboration for Africa's sustainable recovery from COVID-19 and develop a shared vision for a prosperous, secure, inclusive, and innovative future.

FAO support

- GRAP champion on resilient agriculture
- Partnerships to define and implement this priority area
Global Adaptation Goal

Urgency to **scale up action and support** (finance, capacity building and technology transfer)

Through the two-year **Glasgow-Sharm el-Sheikh work programme on the Global Adaptation Goal**
Highlights of Negotiations

- **Koronivia** Joint Work On Agriculture
- **Carbon Markets** (Article 6)
- Enhanced **Transparency** Framework
- Glasgow-Sharm el-Sheikh work programme on the **Global Adaptation Goal**
- Glasgow Work Programme on Action for **Climate Empowerment** (ACE)
- **Gender** and Climate Change
- Local Communities and **Indigenous** Peoples Platform
- **Ocean** and Climate
COP 27
7-18 November 2022
Sharm el-Sheikh, Egypt

Food and agriculture
Adaptation
Water
Energy
